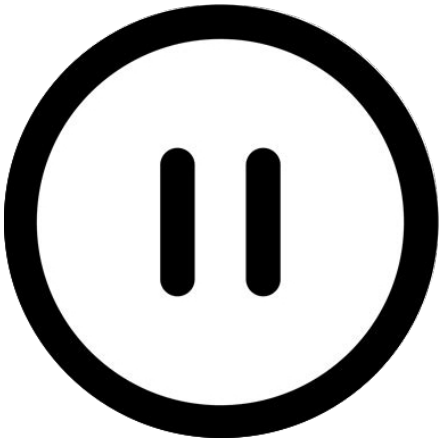
Forward through the Past ?
Uncle Don Smiles Again !

Two valuable items related to Don Smith and his work have been released on the Tube, mid-June 2018; namely, his 1994 and 1995 presentations, believed to be at the Extraordinary Technology Conferences.

1994 – https://www.youtube.com/watch?v=Oc_8U4hGtyE

1995 – https://www.youtube.com/watch?v=vwVTDctXyos

First impressions from the Team on what they show, & how it "fits in" with what had been available previously.



The file previously at this location
